KRATOR®

Drop-2.1ch Speaker System reveals impressive sound quality

N4-20U12, the latest 3-piece master work presented by KRATOR is your best choice for pursuing modern minimalism.

We use advanced sound alignment technology to empower N4-21U12 with stupendous sound that astonishes anyone ever listen to it!

Enjoy music anytime & anywhere: A 3.5mm audio cable enables you to connect to MP3, iPod, iPhone, game console, and other audio devices. Detachable cable design allows you to split N4-21U12 into 3 independent pieces and carry each around. The Volume & Bass adjustable knobs let you tune N4-21U12 easily at your fingertips.

This streamline, pure color & chic coating design best fits in your personal space & living room.

With N4-21U12, you get more than just an outstanding speaker system but also an elite lifestyle.

For more product information, please contact with your sales representative.

At KRATOR, we're on a mission to transform the landscape of consumer audio and gaming peripherals. That delivers both aesthetic design and precision-driven performance.
